

# Exhibit H

# TEAM SITE TRANSITION PLAN

From this

To this

In 15 steps...

# Step 1

The phone rings and your migration process has begun....

## Step 2

Suzanne sends an email with 1<sup>st</sup> of *many* requests

- Database file
- Page classification
- How far back you want to keep
- Begin creating your sub level navigation

# Step 3

Your database is sent to American Eagle and your files are made NHL database friendly

# Step 4

Suzanne sends over the art list...

Your designers create the art for your site...
